

**Project Development Phase  
Model Performance Test**

|               |                                              |
|---------------|----------------------------------------------|
| Date          | 18 July 2026                                 |
| Team ID       |                                              |
| Project Name  | HouseHunt – Premium House Rental Marketplace |
| Maximum Marks | 10 Marks                                     |

**Model Performance Testing:**

Project team shall fill the following information in model performance testing template.

| S.No. | Parameter      | Values                                                                                                                                                                                                           | Screenshot |
|-------|----------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|
| 1.    | Metrics        | Not Applicable — HouseHunt is a MERN-stack (MongoDB, Express.js, React.js, Node.js) web application and does not include this component. No regression/classification model was trained as part of this project. |            |
| 2.    | Tune the Model | Not Applicable                                                                                                                                                                                                   |            |
